

Youth Section - Nov/Dec 2010 Focal Point

Cedar Point, Field Trips, Cherry Street and More

The past two months have been brimming with fun activities! Thanks to Emily Bills and Shaelyn Good, Pastor Anna experienced her first terrifying and thrilling roller-coaster ride on the Iron Dragon at Cedar Point, yikes! Twice now different groups of students from TJA have come along to help

serve over 150 homeless people lunch at Cherry Street Mission. And KidConnect has been a buzz of excitement as we ate at King David's banquet table with Mephiboseth and enjoyed all kinds of activities. Want to be involved...just say the word!

PATHFINDER SABBATH WITH APRIL ROMUALD

You may notice the last name and start to wonder - yes, she's Pastor Anna's mother. But much more than that, Mrs. "R" has been the Minnesota Conference Pathfinder Director for 3 years and has a crazy passion for kids and the great outdoors! Mark your calendars and be sure to join us for a very special Pathfinder Sabbath.

"A NIGHT IN BETHLEHEM"

Just imagine walking into the buzz of the marketplace, talking with "Joseph and Mary," smelling and then eating delicious Bible-times treats, making wooden ornaments and much more! That's right - we'll actually be a part of our very own ancient city of Bethlehem - the town where Jesus was born.

This Christmas, Toledo First will be holding a VBS for two reasons: First to engage and interact with our kids in an intentional way, to share the joy of the

season, and to teach them the story of grace behind it all. And, to reach out to our community in another ordinary and practical way by providing an outlet for busy parents to spend an evening or two shopping alone while the kids are having the time of their lives!

We need volunteers! If you're interested and willing, please contact Pastor Anna.
