# WELCOME

We extend a special welcome to those who are single, married, divorced, gay, filthy rich, dirt poor, or no don't speak English. We extend a special welcome to those who are crying newborns, skinny as a rail, or could afford to lose a few pounds. We welcome you if you sing like Andrea Bocelli or can't carry a note in a bucket. You're welcome here if you're just browsing, just woke up, or just got out of jail. We don't care if you're more Catholic than the Pope, or haven't been in church since little Joey's baptism. We welcome service dogs and their handlers. We welcome Muslims, Jews, politicians, and sinners like us. We extend a special welcome to those who are over 60 but not grown up yet, and to teenagers who are growing up too fast. We welcome soccer moms, NASCAR dads, starving artists, tree-huggers, latte-sippers, vegetarians, junk-food eaters. We welcome those who are in recovery or still addicted. We welcome you if you're having problems, or you're down in the dumps, or you don't like "organized religion," we've been there too. If you blew all your offering money at the casino, you're welcome here. We offer a special welcome to those who think the earth is flat, who work hard, don't work, can't spell, or come because grandma is in town and wanted to go to church. We welcome those who are inked, pierced, or both. We offer a special welcome to those who could use a prayer right now, had religion shoved down your throat as a kid, or got lost in traffic and wound up here by mistake. We welcome tourists, seekers, doubters, bleeding hearts . . . and you.

***No one has ever seen God;  
but if we love each other, God lives in us  
and His love is made complete in us.***

***1 John 4:12***
